#### **International Trade&Investment Forum: "Extending the Black Sea Marketplace"**

**Event** – A regional business-to-business forum jointly organized by United Nations Development Programme, Black Sea Trade and Investment Promotion programme, the Black Sea Trade and development Bank and AZPROMO, the Investment and Export Promotion Agency of Azerbaijan and the Black Sea Economic Cooperation Business Council.

**Goal** – as international platform for dialogue between financial institutions and private sector, forum is aimed to stimulate economic development and promote regional business to business cooperation via creation of new business linkages and direct networking.

The following sectors are represented:

- Agriculture
- Logistics/Transport
- Construction
- IT/Consulting
- Tourism
- Packaging
- Green Energy
- Financial Institutions
- Other sectors

We invite to participate:

- Representatives of foreign and Azerbaijani business.
- Tour operators and travel agents.
- Manufacturers and suppliers of the energy sector.
- Developers and constructors of real estate.
- International financial institutions.
- Banks and investment funds.
- The authorities which are interested in Public-Private Partnership infrastructure projects.

B2B session and matching is provided by United Nations Development Programme, Black sea Trade and Investment promotion programme. Interested companies can request to identify specific partners in the region beforehand.

*Venue: " Rast" conference room, Four Seasons Hotel, 77/79 Neftchilar Avenue, AZ1095, Baku, Azerbaijan*
